Memo No. 56.01.0000.046.002.99.0049.25-**1278**

Date: 24 April 2025

### Call for Input on Establishing National SOC

The EDGE (Enhancing Digital Government and Economy) Project, under the ICT Division and implemented by the Bangladesh Computer Council (BCC), in collaboration with the National Cyber Security Agency (NCSA), is designing the National Security Operations Center (NSOC) to enhance the country's national cyber defense capabilities.

To ensure a well-structured, scalable and future-ready NSOC framework, the EDGE Project is seeking input from relevant stakeholders, including **Cyber Security Service Providers, Technology Vendors, OEMs, Academician, Independent Security Experts, and industry professionals**. We welcome your expert opinion and suggestions on the following key areas:

- NSOC **scope** and **technical architecture**
- Recommended **tools and technologies**
- Suitable **licensing models** each tools
- Necessary underlying **IT infrastructure for establishing NSOC**
- Required **information for sizing capacity** of each of the SOC tool/solution
- Any other **relevant considerations** for an effective and sustainable NSOC

#### **Submission Process:**

Please send your input via email to:

**[nsoc@ncsa.gov.bd](mailto:nsoc@ncsa.gov.bd)**

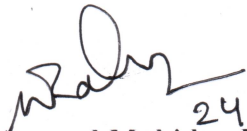

**Deadline for Submission:** 12.00 PM, 27<sup>th</sup> April 2025

A **Stakeholder Validation Workshop** will be arranged to discuss and validate the draft specifications. **Interested contributors are requested to explicitly indicate their interest in joining the workshop** by including the following details in their submission email by 12.00 PM, 27<sup>th</sup> April 2025:

- Full Name
- Designation
- Organization
- Areas of Expertise
- Email Address
- Mobile Number

Your contributions will play a vital role in shaping a scalable, secure and resilient NSOC for Bangladesh.

Sincerely,

  
24.04.25  
**Mohammad Mohidur Rahman Khan**  
**Deputy Project Director, Enhancing Digital Government and Economy Project**  
Bangladesh Computer Council (BCC)
